	<p>Company Name- National Forensic Sciences University, Gandhinagar, Gujarat</p> <p>Designation – Assistant Professor</p> <p>Reviews about College-</p> <p>I feel truly proud and honored to have been a student of Vasantrya Naik College, Ch. Sambhajinagar (Aurangabad). My years in the B.Sc. Computer Science program were not just about academics—they were a phase of tremendous personal growth, learning, and unforgettable experiences.</p> <p>During my time at the college, I had the privilege of serving as the General Secretary in the year 2010–2011, which gave me a great platform to lead, organize, and be actively involved in the life of the college beyond the classroom. College life was vibrant with events like annual gatherings, freshers' parties, and welfare events, and I was fortunate to contribute to organizing and participating in them. Social initiatives such as blood donation camps, tree plantation drives, and other community outreach efforts were also an important part of my experience.</p> <p>More than anything, Vasantrya Naik College gave me the confidence to step forward, take responsibility, and develop both professionally and personally. The mentorship and guidance I received from all the respected faculty members helped shape who I am today.</p> <p>I will always carry deep respect and gratitude in my heart for this institution and everyone who played a role in my journey.</p>
